

Please Support Cobb Diaper Day

Declare a day in October to collect diapers from your employees, organization members or friends and join a statewide effort because:

Low-Income Families Face ~

- **Food Stamps do not include hygiene products such as diapers and diapers are expensive.**
- **Day-Care centers require parents to provide their own diapers.**
- **Diaper rash and crying lead to more stress in the home.**
- **Local support agencies such as: (Center For Family Resources, MUST Ministries, YWCA, and C.A.M.P.) can only dispense diapers 4-6 times a year per client.**

Join us on Oct. 24th at 5:00 PM at Glover Park on the Marietta Square with your diapers or / call 404-276-0808 for questions or pick-up.

Little Things Often Make A Big Difference!
